
FLAT BACKS

Swarovski's Flat Back crystals could have been tailor-made for nails—especially the new Mini Size and Geometric Flat Backs. Alongside those versatile innovations there is a brilliant variety of cuts and a spectacular palette to choose from, including many of your favorites.

CRYSTAL PEARLS

Elegant Swarovski Crystal Pearls are pure perfection. There's nothing more alluring than their silky-smooth finish and unmistakable luster. Choose satin and pastel shades

for exquisite wedding designs and graceful evening looks. Or take it to the edge and make it a finger-popping pearl party with pulsating neon colors.
